How does Values Education Underpin Middle Schooling? Educating for Values Development

This is an exciting opportunity to workshop intensively with Julia to develop values based approaches in your school. This workshop will build on Julia Atkin's 'Values and Middle Schooling' twilight seminar held on 3 April 2007. It is suggested that teams of no more than 4 members attend from each school. You may like to consider inviting members of Governing Council and students to be part of your school's team.
